TO WHOM IT MAY CONCERN

Re: Lidia Elizabeth Pinzon Rincon job reference

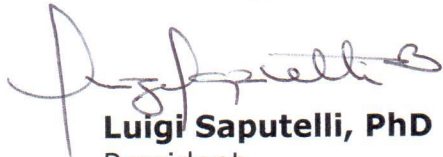

We would like to confirm that Miss LIDIA ELIZABETH PINZON RINCON held a contract with our company Frontender Corporation, to provide services as an independent consultant, based in Bogota, Colombia from 21st of January to 22th of February, 2013.

The scope of work included the analysis and comprehensive evaluation of geologic and production information of a mature carbonate reservoir, including reserves analysis and quantification. As a result of the evaluations of this petroleum engineering consulting study, a plan was drafted to further support field development decisions.

This letter is issued at the request of the interested party on the 5th of May, 2013.

Should you have any questions, please do not hesitate to contact me.

Yours truly,
